

PROTECTING YOUR PRODUCT, ENHANCING YOUR BRAND

Environmental Policy

Version 02/270422

“We are committed to ensure that the protection of the environment is firmly embedded in both the Company’s culture and all that we do. We will endeavour to continue to influence the packaging sector to use bioplastics as a preferable product wherever appropriate. Where it is not we will encourage the responsible use and disposal of plastics to minimise their impact in our environment”.

The Viscose Closures Management Team reviews the Environmental Policy during Management Review meetings, ensuring that the policy is appropriate to the purpose and the context of the organisation.

Viscose Closures Limited is committed to protecting the local and global environment. To minimise environmental impacts concerning our activities, products and services, we shall:

- Comply with all obligations (legal, voluntary and other requirements) to which the Company subscribes which relate to its environmental aspects.
- Include the consideration of environmental issues in all business strategies and initiatives.
- Minimise, recover and recycle waste wherever possible.
- Minimise use of natural resources.
- Ensure that protection of the environment is firmly embedded in both the company’s and all employees’ culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner.
- Shall establish environmental objectives and targets to continuously improve the organisation’s environmental performance.

Viscose Closures Limited is committed to the compliance of relevant statutory and regulatory requirements. The Environmental Policy statement is controlled by inclusion in the Integrated Management System Manual. The System and procedures employed by Viscose Closures Ltd. comply with the requirements of BS EN ISO 14001:2015 and are mandatory for all employees.

The Environmental Policy is subject to an annual review and we ensure that the Environmental Policy is communicated to and understood at all levels of the organisation. The Environmental Policy is available to all relevant interested parties through the company web site and upon request.
